The Habitat Gift Catalog offers symbolic gifts that are representative of the materials and services Habitat for Humanity uses and to help families build a safe and affordable home.

When you "purchase gifts" from the catalog, you are funding life-changing work to help families take a big step to a better, more stable life.

We will provide you a card that can be sent to let someone know that a special gift has been made in their honor or in memory of a loved one.

A \$25 gift has been made in honor of

to provide Habitat with the funds needed to purchase the new door locks that provide a safe, secure home for a family.

Volunteer Opportunities

With help from people like you, whole neighborhoods improve and completely transform. Through this transformation, families achieve the strength, stability and independence they need to build a better life.

This year our Mission Committee and Session made a commitment to fight poverty through the work of Habitat for Humanity. We are working to help provide safe, decent housing for families in need by providing a hand up and not a handout.

Please watch the monthly newsletter and weekly announcements sheet for more information on being a volunteer.

About Habitat

from www.habitatforsyth.org/about-us/

With a philosophy of “a hand up, not a hand out,” a phrase coined by President Jimmy Carter, Habitat Forsyth makes it possible for local families to achieve strength and stability that comes from owning safe, decent, affordable housing.

Through partnering with Habitat, families are able to experience the joys that come with a home: the security of owning rather than renting; the comfort of knowing one’s neighbors and seeing children play in their yards; the stability of putting down roots in a community; and the long-term investment that helps build personal wealth.

The Habitat model assists local hard-working families who do not qualify for traditional mortgages to become homeowners. After meeting certain income, credit and rental history qualifications, our future Habitat homeowners attend financial education and home ownership/maintenance classes. They earn 300 to 400 social engagement or “sweat equity” hours by helping build or remodel their own homes or those of others and serve as volunteers with Habitat or in the community. Upon closing on the home, they begin paying an affordable mortgage back to Habitat, which allows us to help more families.

Since 1985, we’ve used this proven model of success that we call Neighborhood Revitalization and have fundamentally changed lives for 350+ families by making them new homeowners. Another 80+ families, elderly, and veterans have been served with home repairs to ensure they safely age in place or have a more secure home, and thousands others through our home maintenance trainings, partnerships, community cleanups, and work with neighborhood associations. In this way, Habitat is reviving entire neighborhoods, street by street and block by block. Strong and stable homes help build strong and stable communities.

Gift may be made in several ways:

- **In Person:** You may contribute on Sunday mornings with cash or check. On the first Sunday of each month there will be someone in the atrium taking donations who will have giving cards and answer questions you may have.
- **By mail:** Checks made payable to Clemmons Presbyterian Church with a memo noting it's for *Habitat honorary gift* may be mailed to the church.
- **Online:** You may contribute online at <https://onrealm.org/ClemmonsPresbyterian/give/habit>
- CPC can mail your donation cards to you or your honorees, with included address.
